Re: U.S. v. Thomas Zimmerman, Crim. No. 18-703

Dear Judge Vazquez:

As the Court directed, the Government writes to address its position on defendant's request for additional library time at the Essex County Correctional Facility (Dkt. No. 142, filed April 13, 2022). The Government has no opposition to defendant's request.

Very truly yours,

PHILIP R. SELLINGER  
United States Attorney
